

# WE NEED YOU!

Can you spare a few hours per week to support your community?

**CROSS  
ROADS  
CARE**  
Bexley

**Yes!** Then we have a volunteering opportunity for you!

## What can you do for us?

You will be able to help raise awareness of dementia in the community, particularly within minority ethnic communities. You will also be able to consult with members of the community to identify any barriers they have experienced in accessing services and help make any necessary referrals.

## What will we do for you?

You will be given full training in dementia and full support from our dementia development officer.

## How do you find out more?
